NATIVE
HEALTH
A Tradition of Wellness

NATIVE HEALTH

- The Native American Community Health Center, Inc. (NATIVE HEALTH) was established in 1978 under Title V of the Indian Health Care Improvement Act to provide WIC and community health nursing.

NATIVE
HEALTH

A Tradition of Wellness

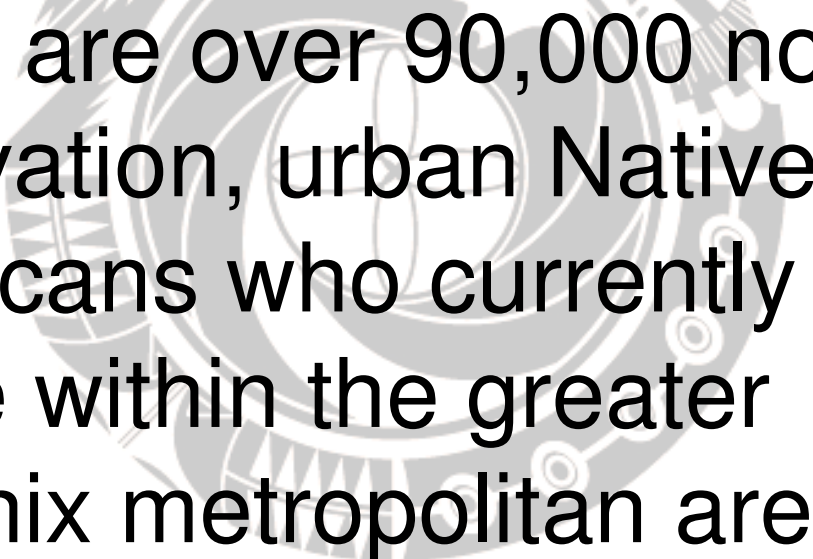

NATIVE HEALTH

Culture has, as its purpose, the gratification of deep human needs. Effective service provision is based on the values around which a culture is patterned.

NATIVE
HEALTH

A Tradition of Wellness

- 
- There are over 90,000 non-reservation, urban Native Americans who currently reside within the greater Phoenix metropolitan area.

**NATIVE
HEALTH**

A Tradition of Wellness

Mission

- The mission of NATIVE HEALTH is to continually strive to improve the lives of Native American families in the greater Phoenix area by providing unique, high quality, culturally competent, health related services that enhance the well being of the whole person and the Native American community.

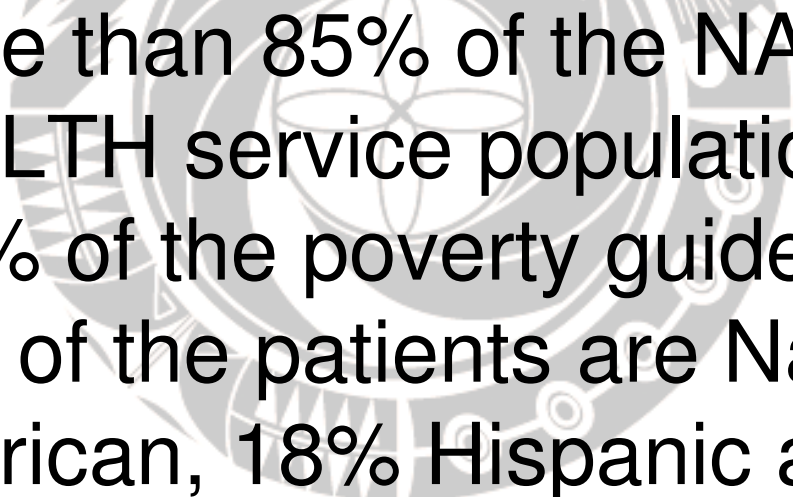

A Tradition of Wellness

Programs

- NATIVE HEALTH provides medical, dental services, behavioral health and WIC services to urban Native Americans in a culturally competent setting.

**NATIVE
HEALTH**

A Tradition of Wellness

- 
- More than 85% of the NATIVE HEALTH service population falls within 200% of the poverty guidelines. Over 80% of the patients are Native American, 18% Hispanic and 2% other.
